** PRODUCTION RESPONSIBLE FOR ANY VEHICLE CITATIONS DURING USE

A truck production assistant will be provided by Video Village who is responsible, smart and able to handle any and all duties related to his/her job. This person is responsible for the issuing and returning of production equipment and expendables in a speedy manor and whenever possible to help production in the setting up of equipment. PA cost is pursuant to other PA rates on your job on a non-union production company timecard. Overtime is based on company production assistant policy. The Truck Production Assistant(s) have met the FMCSA / PA State Police requirements for driving a commercial vehicle. He/they have access to the Video Village warehouse and know the "rules" regarding access. All orders and any access must be coordinated with Video Village prior to their entrance. Our **FIRST CALL** Truck PA is Chris Wright (610) 283-1428 .
